VOL. 51—No. 6

CARNIVAL BALL TO BE BEAUTIFUL AFFAIR SATURDAY, FEB. 14TH

Committees and Chairmen Actively Summing Plans and Arrangements—Decorations To Be Exceptional—Outstanding New Orleans Orchestra to Play.

Committees and chairmen of the various types which handle the summing up of plans and arrangements for the Carnival Ball which will be held this year on the night of Saturday, February 14th are vigorously engaged in their different endeavors and different groups may be seen going about daily completing their respective jobs.

An energetic Ticket Committee headed by Mrs. Alfred Vassalli with a splendid group of workers this week began the advance sale of tickets for the ball, which carry an advertisement donated by Hotel Reed, and which are expected to be sold out completely long before the night of February 14th.

The Decorating Committee with Mrs. Louis Maunus as its chairman has conferred with some of the leading decorators of the Carnival balls in New Orleans and completed their plans for what they tell us will be an outstanding background in a theme in keeping with the times before which their majesties will reign.

One of New Orleans' leading orchestras and one which has not been heard on the Coast before will dispense dance music for the evening, and this is always a great incentive for those lovers of dancing who through the dance floor each year.

Despite the fact that so many of our young men have left for different branches of service, the Court and Floor Committees expect to have their full quota of necessary dukes and floor committeemen on hand for this big event and too, many of the boys in uniforms will attend the ball.

A splendid bill of amusement in the hands of Miss Dorothy Tudury is being planned and with the promise of beautiful costumes and attractive background, the court and the audience will be entertained.

As the Carnival Ball is now an institution which is eagerly looked forward to each year and is one of the great events which so many look forward to, it is anticipated that this year's ball will be one of the prettiest and most enjoyable ever given.

Boy Scout Troops 208-217 To Sponsor Dance On Tuesday, February 17th

Boy Scout Troops 208 and 217 are sponsoring a dance on the afternoon of Carnival Day, the 17th of February, at the Knights of Columbus Hall on Main street to assist in their drive for funds. The afternoon dance will be for the school boys and girls and an admission of ten cents will be charged, and the evening, a dance will be held for adults with an admission of 35c.

Attend this dance and help the local Boy Scout Troops in their drive for funds.

Octave Delph Home Nearing Completion

Although the curtailment of material in all building lines has caused a lull in building activities, the home of Mr. and Mrs. Octave Delph which is nearing completion in the Montluzin subdivision, is certainly an added attraction in this pretty section. The home, built along the bungalow type with attractive exterior and large porches screened and glassed in, comprises the newest in comfort and will adequately house Mr. and Mrs. Delph and their two children.

Thursday, February 12, Next Meeting Date For Bay Garden Club

The Bay-Waveland Garden Club will hold its regular monthly meeting at the home of Mrs. Eugene Mosabab on next Thursday, February 12th at three o'clock and all members are urged to attend.

At this meeting, Mrs. C. C. Henson of New Orleans and Pass Christian will review one of the latest books a recent best seller mystery story with the location of the story set around the famous Natchez country.

Daylight Saving Time To Start Monday, 9th.

On next Monday, we set our clocks ahead an hour and again adhere to our country's call for conservation of time along with the many other savings which we are being called upon to make.

With the grounding prediction of two more months of winter, it will mean setting up earlier in the cold months ahead but the boys will find that it will help towards victory.

BIRTHDAY BALL FOR INFANTILE PARALYSIS SCORES

Nice Sum Realized—Hall Artistically Decorated—Tableaux Featured

With an illuminated flag of the United States in the background, and a tableau in which the goddess of Liberty holding a torch was the centerpiece, and children representing the different branches of the armed forces of the United States today standing at attention, the Birthday Ball given under auspices of the Bay St. Louis Chamber of Commerce opened on last Friday evening at St. Joseph Auditorium, and a handsome sum from an advance sale of tickets was netted for the fund of the National Foundation of Infantile Paralysis.

Patriotic music by record player was played as the curtains parted on this lovely scene, with "Remember Pearl Harbor," "America" and other pieces.

Those participating in the tableaux were Mrs. Alfred Vassalli, as the goddess of Liberty, Menou Arceneaux, J. D. Horlock, Jr., Barbara Ann and Joseph Burrow, Jr., and Bruce Favre.

The entire auditorium had been decorated with streamers of red, white and blue and prominently displayed were the American eagle.

DISTRICT MEETING OF SCOUT LEADERS THIS FRIDAY NIGHT

Field Representative Steve Kenney to Be Present—All Scouters Urged To Attend.

A district meeting of the Bay St. Louis-Pass Christian Area Boy Scout Leaders will be held at the Reed Hotel in the Sun Parlor on Friday, February 6, at 6:30 P. M.

A large attendance is expected on account of the interest the Boy Scouts are taking toward collection of scrap paper, tin and other articles of value needed in the National Defense program.

All Scouters are expected to attend, so be on hand.

MRS. CORA RAND, EDITOR'S MOTHER, DIES IN GULFPORT

Mrs. Cora Rand, 81, years old, died Friday morning at the home of her son, Clayton Rand, in Gulfport.

Funeral services will be held at the First Methodist church Friday morning, with the Rev. C. C. Clark, pastor, officiating. Interment will be in Evergreen cemetery.

Mrs. Rand was born in Spring Creek, Wis., but had been a resident of Mississippi since 1901. She died following a short illness.

She leaves two sons, Clayton Rand, Gulfport publisher, and Wesley Rand of Foley, Fla.; one daughter, Mrs. Joyce Cassibry of Gulfport; two nephews, Tom Rand of St. Augustine, Fla., and Hugh Rand, Panama Canal, and two nieces, Miss Peggy Rand of Clarksdale and Mrs. Frank Lambert, Hamilton, Ontario.

Parents Club to Meet

The regular monthly meeting of the Parents Club of St. Joseph Academy will be held this Friday afternoon, February 6th, at three P. M., at the convent and all members are urged to attend.

OFFICERS ATTEND COURSE

At Gulfport Last Week—Federal Bureau Of Investigation Agent Conducts Course.

Law enforcement officers from all over the state attend a course in Gulfport last week conducted by an agent of the Federal Bureau of Investigation from Jackson which was attended by the following officers from Bay St. Louis:

Sheriff Horace L. Kergosien, Deputy Sheriff Claude Monti, Justice of the Peace Leon B. Capdepone, City Officer Alcine Saucier.

The school was held in the basement of the First Methodist Church in Gulfport under direction of J. G. Brandt, special agent, and consisted in instructions on how the various types of communications such as telephones, telegraph, teletype and amateur radios would be permitted to operate under wartime conditions and outlined methods of protection against enemy agents. Also the method in which effective blackouts were outlined and the utmost cooperation of the public with the police stressed.

A set of descriptive illustrations outlined expert ways of handling fast moving military convoys, and a discussion on the proper protection of utilities and industrial plants against sabotage was also given.

Fire prevention and the means for handling different types of bombs and explosives was a major lesson also learned at this school and officers from Bay St. Louis and Hancock County state the course was extremely valuable in handling circumstances arising out of wartime conditions.

Asst. State Secretary Garden And Canning Project Visits County

On Friday, January 30, Mr. A. H. Buckley, Assistant State Supervisor of the School Garden and Canning Project, was in the county. Mrs. Albion C. Gray, District Supervisor of the project was with Mr. Buckley. They, with Miss Caro L. Weston, county project supervisor, drove out to Kiln, Miss., where they inspected the use of the central garden.

Mr. Buckley seemed in favor of this location. Mr. Ferdinand Depreo offered the use of his land, a few miles above Kiln. This place is well fenced, cleared and in good condition.

In all probability this will be the site of the central garden.

Win Honors at Gulfport Garden Club Flower Show

Mrs. W. Scott Morrill did honor to Bay St. Louis when two of her entries in the camellia show held by the Gulfport Garden Club on last Saturday and Sunday in the Great Southern Hotel when two of her flower arrangements were awarded ribbons.

Also winning in Class C were blossoms from a tree grown by Miss Nettie Koch on the grounds of her home in Logtown. Miss Koch stated the tree was over a hundred years old and had not been sprayed or fertilized in twenty-five years.

COAST COUNTIES GET \$593,171 FOR SEAWALL, ROADS

Money Refunded by State From Gasoline Tax Collections

Jackson, Miss., Feb. 3.—A total of \$593,171.06 for seawall and road protection funds was returned to Jackson, Harrison and Hancock counties in 1941 from gasoline tax collections, according to a report issued today by Motor Vehicle Commissioner Frank Mize.

This sum is in addition to the amount regularly returned to each of the 82 counties for county roads.

In addition to the six cents a gallon state gas tax, Hancock county levies an additional three cents for seawall and road protection; Jackson and Harrison two cents.

From the two cents county tax, Harrison county collected \$182,557.85, Jackson county \$62,908.44, and Hancock county (three cents), \$40,952.02.

Commissioner Mize's statement showed that in addition to the seawall refunds, Jackson county received a total of \$94,183.04 from the state gasoline and truck and bus privilege taxes; Harrison county, \$164,805.16, and Hancock county \$47,777.92.

Besides returning the county tax to the three coastal counties, the state also returns 13-4 cents on each gallon of gasoline sold in each of the three counties, thus making a total distribution of \$593,171.06 for these three counties.

A recapitulation of the report showed that during 1941 the state gasoline tax yielded \$15,929,363.61. Of this amount, \$6,721,196.42 was returned to the 82 counties.

Complete List of Officers And Committees of Hancock Chapter of Red Cross

Below is a list of the officers and committees of Hancock Chapter of the American Red Cross for the year 1942:

Officers
Walter J. Gex, Jr., chairman.
H. Grady Perkins, vice-chairman.
Antoinette Trastour, secretary.
Arthur A. Scarife, treasurer.
Harold Weston, Junior Red Cross chairman.

Committees
VOLUNTEER SERVICE:
Mrs. Louis F. Maunus, chairman.
Mrs. Sara Power
W. L. Bourgeois

PRODUCTION:
Mrs. G. Y. Blaize, chairman.
Mrs. Frank Kiefer

DISASTER:
Horace L. Kergosien, chairman
Dick Cue

LOCAL RELIEF:
Alphonse G. Favre, chairman
Mrs. F. J. Trastour
Mrs. Rhea Bonck
Mrs. A. P. Smith
Evelyn Weston

HOME SERVICE:
Lucien Gex, chairman
Mrs. M. A. Gilmore
Mrs. Eunice Casanova
Mrs. Stella Gex Catching

PUBLICITY:
Mrs. George Stevenson, chairman
Miss May Edwards

JUNIOR RED CROSS:
Harold Weston, chairman
Mrs. Roland Weston
Mrs. B. L. Goldman
Mrs. Inez Favre

DEFENSE FUND:
Lucien Gex, chairman
ROLL CALL:
Leo G. Ford, chairman

CHAPTER DEVELOPMENT:
Mayor G. Y. Blaize
Mrs. H. Grady Perkins
Mrs. Ben Hill

PRODUCTION WORKERS:
Episcopal Guild (Sara Power)
Garden Club (Mrs. Leo Seal)
St. Joseph's Mothers Club (Mrs. John Green, Jr.)

Methodist Women's Group (Mrs. T. Robin)
St. Margaret's Daughters (Mrs. G. Y. Blaize)

Bay High P. T. A. (Mrs. Nelson and Mrs. Harold Weston)

KNITTING:
Mrs. J. H. Thomson
Mrs. Sara Power
Mrs. Louis I. Pate

MOTOR CORPS:
Mrs. Ed Carriere, chairman
Mrs. Lucien M. Gex, Lt.
Mrs. Roger Boh
Mrs. Alfred Vassalli
Mrs. J. T. Frowell

TO SET UP OFFICE FOR VOLUNTEERS TO AID CIVILIAN DEFENSE

Mr. Charles B. Murphy, Chairman For Hancock County Defense Council, Called Meeting Last Friday—Committees Appointed; Members Named.

ANNUAL BASK'TBALL TOURNEY

At Bay High Gym, February 5, 6 and 7th—Starting Teams in Bracket

Bay High School will hold its annual Invitational Basketball Tournament on February 5, 6 and 7 at the Bay High gymnasium. As in previous years this tournament will be sponsored by the Student Activity Association of Bay High School. Officials of the school have expressed the belief that this tourney will be one of the most interesting and successful ever held here.

Many teams have entered that have shown great strength in previous tournaments and in regular season play.

This tournament will bring at least 325 players and coaches to Bay St. Louis over the weekend, in addition to the followers of the teams. We feel that many of our places of business will be benefited by this group of people coming to our town.

One of the foremost teams in the girls' division will be Savannah, recent winner of the Magnolia High School Invitational Tournament. This classy sextet boasts of eagle-eyed forwards as well as very capable guards. Another class B team which will be a ranking contender is McNeil, coached by Percy Gariga, a S. S. C. graduate. Although little has been heard about them along the coast they shape up as the team to beat. Other outstanding B teams which will enter are Woolmarket, Orange Grove, Success, Dedeaux and Industrial.

The only "A" teams that have entered so far are Long Beach, St. Josephs Academy and Bay High; however several more are expected. The boys division promises to be a wide open affair with Dedeaux holding a slight edge over the other teams. Dedeaux, in winning three tournaments has proven to be the strongest team in this section. Success, which has lost two close decisions to Dedeaux promises to make a strong bid for the championship. McNeil also has a brilliant record and should give either of the former teams plenty of trouble. Besides these are Woolmarket, runner-up in two tournaments, Savannah, a smooth, fast-breaking quintet, Lumberton, Orange Grove, Magnolia and Industrial.

Representing the Class "A" group will be Picayune, St. Stanislaus, Long Beach, G. C. M. A. and Bay High. Outstanding from this group will be the Picayune Maroons who come up with a good team almost every year. S. S. C., a fast improving team is another team which you can expect to hear from also.

GIRLS BRACKET:
Success vs. McNeil, 1 p. m. Thurs.
Savannah vs. Pass Christian, 4:00 p. m. Friday.

S. J. A. vs. Long Beach, 7:00 p. m. Thursday.

Wool Market vs. Industrial, 3 p. m. Thursday.

Orange Grove vs. Vandave, 2 p. m. Friday.

Dedeaux vs. Bay High, 7:00 p. m. Friday.

Saturday games start at 1 p. m.—finals Saturday, 8 p. m.

BOYS BRACKET:
Success vs. Savannah, 2 p. m. Thursday.

Sellers vs. Woolmarket, 5 p. m. Thursday.

McNeil vs. Long Beach, 9 p. m. Thursday.

Bay High vs. Industrial, 3 p. m. Thursday.

St. Stanislaus vs. Orange Grove, 8 p. m. Friday.

G. C. M. A. vs. Magnolia, 6 p. m. Friday.

Pass Christian vs. Picayune, 3 p. m. Friday.

Vandave vs. Dedeaux, 4 p. m. Thursday.

Finals Saturday night 9 p. m.

Military Maids To Sponsor Dance Saturday

The Military Maids wish to announce an informal dance for soldiers to be given Saturday night at the Woodmen of the World Hall. Young ladies are asked to please not forget the sandwiches.

Mr. Charles B. Murphy, chairman of Hancock County Defense Council, called a meeting on last Friday afternoon of representatives of all organizations in Hancock County for the purpose of setting up the volunteer office in the county to aid the Hancock County Civilian Defense Council.

The meeting was attended by twenty-eight men and women and Mr. Murphy introduced Mrs. C. C. McDonald who told the purpose of the meeting and stated that the volunteer organization would be an aid, or clearing house for the Civilian Defense Council.

Mrs. McDonald stated further that Mr. Charles Murphy had been the first in the state to complete the personnel of his county organization and that the siren for air raid warnings had been ordered by the city and it was time for the volunteer organization to immediately be in readiness to assist wherever possible.

Mrs. McDonald also stated that preparedness was the watchword of the day and the time for complacency had passed. She cited the case of Hawaii who in October had replied that they had not yet made any plans.

Civilian defense plans have been ordered stepped up in all coastal areas for a defense three hundred miles inland and should be complete within thirty days.

The volunteer corps is the answer to the cry, "What Can I Do to Help?" and is really a clearing house of all services of the council.

Mrs. McDonald stated it would be necessary to elect a director and an executive board, and after ballot, Mrs. McDonald was named director and the following members named on the board: Brother Peter, Messrs. W. L. Bourgeois, J. E. Goldman, Sara Power and Harold B. Weston.

Mrs. McDonald stated it would be necessary to call a mass meeting to put the whole matter before citizens and the date of Tuesday, February 17th was decided on, the meeting to be held in the courthouse at 7:30 P. M.

At a meeting of the Director and Executive Board, the following committees were named: Recruiting or Enrollment Committee; Mrs. Albert Biehl, Mrs. E. C. Carriere, Mrs. A. F. Fournier, Mrs. R. D. Robbins.

Placement Committee: Mrs. Wallace Catching, Mrs. Douglas Bourgeois, Mr. S. A. Stowers.

Training Course Committee: Rev. M. A. Ellison, Mrs. Charles Wenar, Mrs. Roland Weston, Mrs. Carl Marshall.

Mrs. S. A. Power is chairman of the Executive Board; Mrs. Harold B. Weston, Publicity Chairman and Mrs. W. L. Bourgeois, Chairman of Finance.

The Board of Supervisors of Hancock County have given use of room in the courthouse as an office for the Volunteer Corps and the Mayor and City Commissioners of Bay St. Louis voted a \$10.00 monthly appropriation for office expense.

NEW TEACHERS APPOINTED FOR BAY HIGH SCHOOL

Miss Marjorie Northy Terry of Fernwood, Miss., and Miss Ruth Vivian Weis have been appointed on the faculty of Bay St. Louis High School. Miss Terry fills the position of science teacher made vacant by the resignation of Mrs. Alford and Miss Weis succeeds Miss Laverne Temple as junior high and freshman English teacher.

Miss Terry is a graduate of Millsaps College and Miss Weis is a graduate of the University of Mississippi. Both have been members of the Leakeville, High School faculty.

Enemy nationals are ordered to surrender all war articles.

Meeting of P. T. A. Tuesday, February 10, At Bay High School

On Tuesday night, February 10th, at 7:30 the regular monthly meeting will be held at the school and a birthday celebration is planned on the occasion of the forty-fifth anniversary of the National Parent Teachers Association.

The honor guests will be the past presidents of the local organization and Mrs. C. C. Clark, State President, will be the main speaker of the evening and it is expected that a large attendance will be on hand for this interesting meeting.

Automobile industry is asked to double its arms output.

The above poster, now being displayed on the beach in front of Harrison's Garage building, announces Boy Scout Week. Boy Scouts everywhere are assuming extra assignments to do their part in the defense of America. Boys 12 years of age and over who are not Scouts and who wish to do their "Good Turns" should get in touch with the Boy Scouts of America.

History repeats itself. The Boy Scouts of America is living again the stirring days of 1917 and 1918. The present conflict recalls the service rendered the Nation when Scouting was only seven years old.

Now on its thirty-second anniversary the Boy Scouts of America again serves America at war. These services range from poster distribution to blackout first aid.

Early in 1941, before the United States became involved in actual war the Boy Scouts of America was asked to take the responsibility for the distribution of posters advertising the sale of United States Defense Bonds and Stamps. Boy Scouts put up 1,700,000.

Almost immediately the Office of Civilian Defense requested the aid of the Boy Scouts of America in helping to collect scrap aluminum for airplane construction. Boy Scouts all over the United States collected 10 million pounds of aluminum—eighty per cent of all collected.

Then came the appeal to collect waste paper. Large quantities have been collected by them and the campaign still continues.

Give the boys a break and help them in their drive for funds.

WHEN FIRE ATTACKS

CIVILIAN defense work is expanding fast. Throughout the country, and especially along the two coast lines, elaborate precautions are being taken to protect persons and property in the event of enemy attack from sea or air.

This is valuable work and must be continued and improved. However, it would be a grave error if we focused our attention so completely on the possibility of attack from without that we forgot the dangers that exist within.

One of the principal dangers is that of fire. Fire threatens the lives of all. Fire threatens every man's property. And fire threatens the war production progress. At a time when material shortages are critical, and production for our military machine must be increased with unprecedented rapidity, the war against fire is the whole nation's war.

Each day fire takes a certain toll of destruction in this country. Some fires are spectacular, such as that which recently consumed thousands of tons of irreplaceable rubber at a tire factory. Others are barely noted, such as the fires which are quickly extinguished with a minimum of damage. But we must realize that all fires destroy something—that all fires require labor for repairs and rebuilding—that all fires consume resources.

Protection against "normal" fires should be as much a part of civilian defense as protection against the possibility of fires being started by incendiary invasion. Every community, no matter how small, should organize and train a volunteer fire unit and equip it adequately. That is the kind of work which will return tremendous dividends to the entire nation.

MATERIAL WASTE MUST BE STOPPED

RETAIL merchants are being called upon to take a leading part in the campaign against waste of essential materials.

At the moment, principal attention is being given to conserving rubber and paper. Merchants are asked to use a minimum of paper in wrapping parcels, and to use none at all for packaged goods. It is recommended that the number of store deliveries be reduced whenever possible.

The consumer should understand what is being done, and cooperate. Don't ask to have your purchases wrapped or put in bags if you can conveniently carry them as they are. Take your purchases home yourself, instead of asking for delivery service, whenever you can. Save boxes and paper of all kinds—they can be reclaimed and put to further use.

Experiments are now being conducted to discover whether or not it is feasible to reclaim the tin content of cans, and before long you may be asked to save your used cans. Tin, like rubber, is fast becoming scarce.

Both chain stores and independent stores are taking active part in these "prevent needless waste" endeavors. Your cooperation will enable them to give you the best possible service consistent with current conditions. And your cooperation will help conserve materials which are vitally needed in defense work.

The Boy Scouts of Bay St. Louis are collecting paper and will be glad to get any you might have.

GREAT LEADER

WE believe that one of the greatest characters in the world today is Winston Churchill.

"Winnie," as he is affectionately called by his people, radiates calm confidence, yet he can dish out the unpleasant truth when need be.

England has indeed been fortunate to have at the helm a man of his vigorous courage, determination, and cool judgment.

It was he, more than any other, who brought England out of the depths when France fell and inspired the nation to resist the rain of death from the skies that followed.

Although advanced an hour, after February 9, all clocks will be on standard time just the same under the law. When the government says it's standard—it's standard.

A certain type of small Atlantic fish carries its own searchlight. With so many submarines infesting the waters even a minnow can't be too careful.

General MacArthur and his men in the Philippines are giving the Japs an excellent dose of the job they have bitten off in attacking the U. S. A. Like Uncle Sam, America wounds easily (when slipped up on) but heals fast, and then gets tougher and tougher. The little yellow, squint-eyed warriors of Japan are headed for a lot of trouble.

It is estimated that there are between a million and a million-and-one-half tons of scrap iron lying useless on American farms. If collected and properly mixed with other metals, it would furnish material for 139 battleships or 10,250 light tanks. Farmers should get busy, rather than scrap iron, and haul it to town before time comes to get busy with the season's crops.

THE JOB WILL BE DONE

RAILROAD and other agencies of transportation successfully met all military and civilian demands in 1941—and they will continue to do so, regardless of how long the war lasts, if assured of adequate materials for maintenance and new equipment, said R. V. Fletcher of the Association of American Railroads, recently.

The achievement of the railroads so far has been close to miraculous. As Mr. Fletcher said, "We have heard much about scarcity of materials and shortages of man-power due to labor disturbances, all contributing factors to the retardation of the essential task for which we have been pouring out money in unprecedented volume. But nowhere have we heard a single well-grounded complaint as to any failure in the field of transportation. Not a single defense enterprise has been embarrassed or delayed because of a shortage of transportation facilities. There have been no congestions or interruptions in the steady flow of men and materials to and from the points of production, both military and civilian. This observation applies not only to the railroads but to highway, waterway and air transport as well."

The fine service provided by the rails has been largely a result of the immense progress made in utilization of their facilities. In 1941 the average load per freight train was 40 per cent higher than in 1921, and that train moved 45 per cent faster. In 20 years the traction power of the average locomotive has been stepped up almost 40 per cent and the capacity of the average freight car increased more than 18 per cent. And since 1921, net ton-miles per freight train hour, which is the ultimate test of railroad performance, has actually doubled.

That is why the lines were able to successfully handle the greatest volume of freight traffic in history last year—and why they are today confident of their ability to handle far greater loads in the future. Give the railroads the supplies they need, and they will continue to do the job.

DAYLIGHT SAVING TIME

THE new law on daylight saving time has been signed by the President and will go into effect on February 9th. It covers the entire nation and applies alike to all states. It is to remain in force, winter and summer, until the war ends. On the morning of February 9th the clock will be advanced one hour and there'll be no "turning back" until the war is over.

Commenting further on Daylight Saving Time the Pascagoula Chronicle relates:

Benjamin Franklin, who tinkered with a lot of things in his time, wrote favorably of the idea of daylight-saving time back in 1784. No one paid much attention. In 1907, an Englishman named William Willett started an organized campaign to push the clocks ahead and had some small success. But it was not until the last war that daylight saving became generally popular abroad as a means of lengthening the working day and conserving power for defense uses.

Serious agitation began here in 1916. Congress finally approved daylight-saving legislation for March to October, 1918. This was to have been repeated annually, but farm interests raised such a fuss that the law was repealed, over Woodrow Wilson's veto, in 1919. Since then daylight saving has been a matter of local preference.

In the current war, England, France and Germany have used daylight saving as a defense measure. President Roosevelt urged it for the United States and sought legislation giving him the right, during the emergency, to push the clocks ahead as much as two hours. Again the farm interests fussed and opposition leaders said the President sought too much personal power.

Last week, after lengthy discussions, the House and Senate agreed on compromise legislation to advance the clocks one hour for the duration. The change would take place twenty days after the President signs the bill.

OUR LUMBER INDUSTRY

RECENT purchase by the government of close to 600 million feet of Southern pine lumber for camps and munitions plants has placed the responsibility of supply of this vitally needed product squarely on the shoulders of the manufacturers. Under the schedules of production to fill these orders, no workman, particularly those skilled in any degree, can be spared from the day's work.

The situation now facing this major Southern industry is not limited to softwood production, but also includes the hardwood sawmills whose product is essential to the victory program. The problem of adequate labor supply, it is anticipated, will be augmented rather than diminished when the call for the "armed forces" takes millions from their jobs. The Southern lumber industry reaches and touches the economic life of thousands of communities—reaching into rural as well as urban areas.

Obviously, men are needed to cut timber for the building of ships and army camps just as badly as they are needed for military service. It takes strong arms and stout legs to work in the woods and men who are exceptionally qualified for the lumber industry should be kept on their present jobs.

Stopping the sale of new cars and greatly restricting the purchase of tires will, necessarily, reduce the mileage covered by cars, and that will reduce the amount of gasoline used and that will reduce the amount of tax money coming in from that source, and that will give each county board of supervisors a new headache. In the biennium ending June 30, 1941, gasoline tax collections in the state reached the total of \$26,243,577.11 and of that sum \$10,118,593.11 went back to the counties. That will be cut down by the restricted use of cars.

Nobody here or anywhere in America should feel downhearted over the rationing of tires, cars, sugar and other "necessities" of our modern life. Let's thank our stars that we've got these things to ration. With rationing in effect this early, there is little likelihood of our citizens' armies going without the real necessities, Britain, China, and Russia are also fighting our battles and some of our supply of rationed items are rightfully going to them.

CELEBRATION OF PRESIDENT'S BIRTHDAY EXTENDED ONE WEEK

Through February 7—Hancock Executive Committee Appointed

Extension of the Celebration of the President's Birthday to February 7 throughout the state was announced by Dr. Felix J. Underwood, State Chairman, in order, he stated, "more adequately to meet the expected epidemic of polio-myelitis in Mississippi this summer."

Because more than 1000 cases of infantile paralysis are likely to strike at the childhood of the state during 1942, Doctor Underwood asked every chapter in the state to intensify efforts at fund-raising.

Pointing with pride to the 100 per cent organization of local chapters, the health officer declared, Mississippi, one of the fewer states with such a record. Standard chapter by laws have been adopted by all local chapters in which are set forth regulations regarding membership, meetings, the executive committee, its duties and powers.

The executive committee of Hancock County includes: Mrs. H. W. Moore, chairman; Mrs. Stella Gex Catching, vice-chairman; Mrs. F. J. Trastour, secretary; Mr. J. B. Burrow, treasurer.

ORTIE THEATER PRESENTS FRANK BUCK'S PICTURE

"Jungle Cavalcade" Sunday And Monday, February 8th and 9th.

"Jungle Cavalcade" will be presented by Ortie Theater, Sunday and Monday, February 8 and 9 to movie fans for their entertainment.

This production tops "Bring 'Em Back Alive," "Wild Cargo," and "Bang and Claw" all of which were first class entertainment in this type of pictures. This picture is bigger, better, wider in scope than any yet attempted by Mr. Buck.

Such scenes as jungle beasts and reptiles, including a python, a crocodile, a tiger and a panther, battling for self-preservation and supremacy in their domain, time and again are flashed on the screen and each time there is a new thrill in store for the audience. Humor as well as drama comes to the attention of patrons such as monkeys, at play, who, as Mr. Buck says, "have more fun than a barrel full of people." The camp's various pets continually at odds with each other are also a source of amusement.

"Jungle Cavalcade" is something different in motion picture entertainment and a show the whole family will enjoy. Don't miss this greatest jungle adventure ever made, this Sunday and Monday at Ortie Theater.

Navy News

From the United States Navy Recruiting substation in Room 44 on 26th Avenue, Gulfport, come the following announcements:

Lieutenant Commander J. J. Tunney and Lieutenant (jg) W. I. Leckie will visit the Navy recruiting station in Dallas, Texas, on February 13 and 14, 1942, and Birmingham, Alabama, on February 16 and 17, 1942, between 9:00 a. m. and 5:00 p. m., for the purpose of interviewing applicants for enlistment as chief petty officers in the U. S. Naval Reserve for duty as physical instructors. Selected applicants between the ages of 21 and 33 who hold degrees in physical education from approved colleges or universities are being considered for enlistment in this specialty. A limited number of applicants are being selected on the basis of their academic background, experience, and leadership qualities, in general, and applicants who are unmarried will be given preference over those who are married. "No boxing instructors are being interviewed at this time."

All applicants must have in their possession at the time of their interview a transcript of their college record, a small recent picture, and a birth certificate.

Waveland Activities

Personal and General News Notes of the Week From Sister City and Vicinity.

Stamp Glue Gums Up the Works

RAIN has washed the stamps off the windshields of many cars.

Others have been picking the stamp on the inside facing the inside while a few glued the face of the stamp to have them face forward in the conventional way but nearly everybody has just gone ahead and licked the government mullage.

Then there was the problem of the scooter riders. Scooterists had to purchase a stamp too and pay the full \$2.00, but they have no windshields so what?

Teachers Leaving Schools For Better Pay

The present emergency has created a shortage of public school teachers. With the dropping off of the number of teachers available the average salary paid to those remaining in the field may increase.

The largest group of week end and tourist visitors came over to enjoy the most unusual pretty weather—among those noted were: Mr. and Mrs. Alba on Waveland avenue beautifying the home with a new fence, and getting the spring garden ready.

Mr. and Mrs. L. W. Hughes of Waveland Highlands with party of friends. Mr. and Mrs. C. Martinez and son Clyde. Miss Gentile (New Orleans Masseur) and a group of patients.

Mr. and Mrs. C. C. Nifong, Mr. and Mrs. Duralde Claiborne and family, the Samuels and Rosenfeld families were at their homes on Nicholson avenue.

The Holzers on Waveland beach is a place of beauty with its many trellises and garden frontage.

Waveland School Principal Improving After Operation.

It is gratifying to her pupils and many friends of Miss Mary Perkins to learn of her improved condition after an operation on Saturday. Miss Perkins is a patient in Tour at New Orleans.

Mrs. J. C. Russell of Coleman avenue is a patient at Baptist Hospital.

News comes from Marcel Bourgeois Camp Beauregard is well and happy. Twenty of our local boys leave shortly.

Mr. and Mrs. George Stelz will leave for Port Sulphur, La., on defense work for Freeport Sulphur Co. Mrs. Stelz will join her sister, Mrs. Maurice Martin and baby Jean.

Mr. and Mrs. Geo. Wanzel, from Texas, have completed their home in the pines, St. Joseph street, and will reside there permanently.

Mr. Bob Lekey from New Orleans, retired marine, is at present residing with Anthony Trenticosta in the old

The regular weekly soldier dance was given on last Saturday evening at the Woodman Hall with the Military Maids entertaining for a convoy of boys from Keesler Field and the dance was one of the many successful and enjoyable events which this group of patriotic young women have given.

RESOLUTION

Resolution authorizing the issuance of \$198,000.00 Gas Revenue Refunding Bonds of the City of Bay St. Louis, Hancock County, Mississippi, providing for the issuance and payment of said bonds, making certain agreements and covenants in that connection and declaring an emergency.

Whereas the City of Bay St. Louis has heretofore issued under authority of Chapter 317 of the General Laws of Mississippi, 1934, and has now outstanding its valid and legally binding Gas Revenue Bonds to the amount of \$198,000, which bonds are dated January 2, 1939, are in the denomination of \$1,000, are numbered 5 to 200 inclusive, bear interest at the rate of four and one-half per cent (4 1/2 per cent) per annum, and become due serially on December 1 of each of the years 1940 to 1954 inclusive; and

Whereas said Gas Revenue Bonds are payable from the revenues to be derived from the gas transmission and distribution system which was acquired by the City with the proceeds of the sale of said bonds, and said bonds are secured by various agreements and covenants set out in the ordinance authorizing their issuance which ordinance was duly adopted by the Commission Council of said City on January 20, 1939; and

Whereas the holder of said bonds is willing to surrender said bonds in exchange for the refunding bonds hereinafter authorized and it is considered necessary and advisable to issue such refunding bonds in order that the annual amounts necessary to pay principal of and interest on the bonds may be reduced and made to conform to the revenues available for such purpose; and

Whereas authority to issue refunding bonds for such purpose is contained in Chapter 281 of the General Laws of Mississippi, 1940, and it is provided in said Chapter that the refunding bonds shall be payable from the same source of revenue and so far as possible shall be secured in the same manner and by the same covenants and agreements as were the bonds refunded and it is desired so to authorize such refunding bonds;

Now, Therefore, Be It Resolved by the Commission Council of the City of Bay St. Louis, Hancock County, Mississippi, as follows:

Section 1. That for the purpose of refunding \$198,000 Gas Revenue Bonds of the City of Bay St. Louis described in the preamble hereto, there shall be issued bonds of said city in the principal amount of \$198,000 to be known as "Gas Revenue Refunding Bonds."

Section 2. That said bonds shall be dated December 1, 1941, shall be in the denomination of \$1,000 each, shall be numbered 1 to 198 inclusive, shall bear interest at the rate of four and one-half per cent (4 1/2 per cent) per annum until paid, payable semi-annually on June 1 and December 1 of each year, interest falling due on and prior to maturity to be represented by appropriate coupons to be attached to said bonds, and said bonds shall be payable as to both principal and interest in lawful money of the United States of America at the bank in the City of Bay St. Louis which serves as the city depository, and shall become due serially in numerical order as follows:

Bonds numbered 148 to 198 inclusive shall be callable for redemption at the option of the city in inverse numerical order on December 1, 1943, and on any interest payment date thereafter at the price of par and accrued interest to the date of redemption, provided that funds for such purpose are available from surplus revenues derived through the operation of the gas transmission and distribution system of said city and from no other source. Notice of redemption shall be given by publication of appropriate notices one time not less than thirty days prior to the date fixed for redemption in a newspaper published in the City of Bay St. Louis and in a financial newspaper published in the City and State of New York. Notice is also to be sent by registered mail not less than thirty days prior to the date fixed for redemption to the place of payment of this bond and to the registered holder of any bonds called for redemption which may be then registered as to principal.

Clark Gable and Lana Turner—literally the screen team of the year—represent a master stroke in dynamic casting in "Honky Tonk."

Planned to be of a "Boom Town" nature, this production actually overshadows that famed audience hit and brings this box-office team together for the first time with sparks flying.

The stalwart Gable is at his best as he swaggers through bullet-splattered mining camps, quick on the draw and faster with his wit, fighting his enemies and protecting his friends, finding heartbreaks and success—and the heart of a lovely girl.

The gorgeous Lana carries on from her dramatic successes in "Ziegfeld Girl" and "Dr. Jekyll and Mr. Hyde," completes the greatest triple-play in cinema annals, from James Stewart to Spencer Tracy to Gable, and gains in momentum all the way. Assuring the best in direction was Jack Conway, a veteran of twenty-five years in Hollywood, and each year marked with outstanding megaphone triumphs, including the roaring "Boom Town."

More than 500 extras worked at times on the "Yellow Creek" set, including the exciting day when, armed to the teeth, they marched on the city hall to oust Gable and his gang.

Romantic fireworks between Gable and Miss Turner reach a peak when she tricks him into marriage and then tells him he must woo her in approved Boston style, and when she locks him out of her room at the beginning of the "long" courtship and he bluntly kicks down the door.

"Honky Tonk" is the top teaming of the season and its most exciting love story.

not less than thirty days prior to the date fixed for redemption to the place of payment of the bonds and to the registered holders of any bonds called for redemption which may at the time of call be registered as to principal.

Section 3. That said bonds shall be signed by the Mayor and attested by the City Clerk with the corporate seal of the city impressed thereon and that the interest coupons to be attached thereto shall be signed by the facsimile signatures of said officials, which officials by the execution of said bonds shall adopt as and for their own proper signatures their respective facsimile signatures appearing on said coupons.

Section 4. That said bonds and the coupons to be thereto attached and the certificate to appear on the back hereof shall be, in substantially the following form:

(Form of Bond)
UNITED STATES OF AMERICA
STATE OF MISSISSIPPI
COUNTY OF HANCOCK
CITY OF BAY ST. LOUIS
GAS REVENUE REFUNDING BOND

Number \$1,000

Know All Men By These Presents that the City of Bay St. Louis, Hancock County, Mississippi, for value received promises to pay to bearer, or if this bond is registered as to principal then to the registered holder thereof, from the funds hereinafter specified, the sum of One Thousand Dollars (\$1,000) on December 1, 1941, together with interest thereon until paid at the rate of four and one-half per cent (4 1/2 per cent) per annum, payable semi-annually on June 1 and December 1 of each year, interest falling due on and prior to the maturity of this bond being payable only upon presentation and surrender of the annexed interest coupons as they severally mature. Both principal hereof and interest hereon are payable in lawful money of the United States of America at the bank in the City of Bay St. Louis which serves as city depository.

Bonds numbered 148 and 196 inclusive of the issue of which this bond is one may be called for redemption at the option of the City of Bay St. Louis on December 1, 1943, and on any interest payment date thereafter at par and accrued interest to the date fixed for redemption, provided that funds for such purpose are available from surplus revenues derived through the operation of the gas transmission and distribution system of said city and from no other source. Notice of redemption is to be given by publication of an appropriate notice one time not less than thirty days prior to the date fixed for redemption in a newspaper published in the City and State of New York. Notice is also to be sent by registered mail not less than thirty days prior to the date fixed for redemption to the place of payment of this bond and to the registered holder of any bonds called for redemption which may be then registered as to principal.

This bond is registrable as to principal in the name of the holder on books to be kept for such purpose by the City Clerk as Registrar. Each such registration is to be noted on the back hereof, and hereafter this bond may be transferred only by the registered holder or his duly authorized attorney and such transfer shall be noted upon the back hereof and upon the City Clerk's registration books. Registration of this bond as to principal may be charged by registration to bearer after which this bond shall again be transferable by delivery but may be again registered as to principal as before. Registration of this bond as to principal shall not restrain the negotiability of the coupons hereto attached by delivery merely.

This bond is one of a series of one hundred ninety-six bonds of like date and tenor except as to maturity, issued under authority of and in full compliance with the Constitution and Statutes of the State of Mississippi, including Chapter 281 of the General Laws of Mississippi, 1940, and pursuant to the provisions of a resolution adopted by the Commission Council of the City of Bay St. Louis on January 20, 1939, for the purpose of refunding the like

principal amount of valid and legally outstanding Gas Revenue Bonds of the City of Bay St. Louis issued under authority of Chapter 317 of the General Laws of Mississippi, 1934, as amended.

It is hereby certified, recited and declared that all acts, conditions and things required to be done, exist and be performed precedent to and in the issuance of this bond in order to make this bond a legal, valid and binding obligation of said City of Bay St. Louis have been done, exist and have been performed in regular and due time, form and manner as required by law. This bond and the series of which it is one are payable as to both principal and interest solely from the revenues received from the operation of the gas transmission and distribution system of the City of Bay St. Louis as provided in the above described resolution. The taxing power of the City of Bay St. Louis is not needed for the payment of this bond or interest thereon.

Under the provisions of Chapter 281 of the General Laws of Mississippi, 1940, Chapter 317 of the General Laws of Mississippi, 1934, and the aforesaid resolution, the City of Bay St. Louis is required to maintain the service and facilities afforded by its gas transmission and distribution system sufficient at all times to pay the interest on and principal of the series of bonds of which this is one, to accumulate a reserve fund for such purpose and to provide for the payment of the cost of operating and maintaining said system necessary to keep said system at all times in good repair and working order. No other obligations may be issued by the City of Bay St. Louis payable from the revenues of said system except in such manner that said obligations are entirely subordinate to this bond and the series of which it is a part in the application of such revenues.

In Witness Whereof, the City of Bay St. Louis has caused this bond to be signed by its Mayor, attested by its City Clerk and the corporate seal of said city to be impressed hereon and has caused the interest coupons hereto annexed to be executed by said Mayor and Clerk by their respective facsimile signatures, all as of this first day of December, 1941.

Attest:
City Clerk
(Form of Coupon)
No. \$22.50
On the first day of 1942, the City of Bay St. Louis, Hancock County, Mississippi, promises to pay to bearer, or if this coupon is registered as to principal then to the registered holder thereof, from the funds hereinafter specified, the sum of Twenty-Two and 50/100 Dollars (\$22.50) in lawful money of the United States of America, being six months' interest that accrues on its Gas Revenue Refunding Bond dated December 1, 1941 and numbered.

The amounts accumulated in said fund by reason of the payments above listed as "reserve" are to be held in trust and as a reserve for contingencies and used solely as hereinafter specified, provided, however, that no other payments need be made into the Gas Revenue Refunding Bond Sinking Fund when the amount then held in said fund, including the reserve, is sufficient to pay the principal and interest on and principal of said bonds which will be payable at the time of their respective optional or maturity dates as hereinafter provided.

If in any twelve-month period the sum shall for any reason fail to pay to said fund the full amount above stipulated then an amount equivalent to such deficiency shall be set apart and paid into said fund from the first available gross revenues of the following twelve-month period or period, and such payment shall be in addition to the amounts heretofore provided to be so set apart and paid into said fund during such succeeding period or periods.

If for any reason, the city shall fail to make any such payment into said fund during any twelve-month period, any sums then held in the reserve portion of the sinking fund shall be used to pay any interest on or principal of said bond becoming due as to which there would otherwise be a default, but such reserve shall be reimbursed from the first payments made into such fund in the following twelve-month period or period.

(Form of Validation Certificate)
This bond has been validated and confirmed by decree of the Chancery Court of Hancock County, Mississippi, rendered on the day of 1942, and has been duly registered in my office.

Witness my hand and official seal.

Section 5. That said bonds shall be registrable as to principal in the name of the holder on books to be kept for such purpose by the City Clerk as Registrar, which registration shall also be noted on the bonds and the coupons attached to the bonds.

Section 6. That from and after the issuance of any of the bonds herein authorized the income and revenues to be derived from the operation of the entire gas transmission and distribution system of the City of Bay St. Louis as said system now exists and as it may hereafter exist while any of the bonds herein authorized remain outstanding and unpaid, including all extensions, improvements and additions which may be made thereto, shall be and are hereby set aside into the following separate and special funds:

(a) A sinking fund for the payment of principal of and interest on the bonds herein authorized, in which shall be included a reasonable reserve for such purposes, which fund shall be designated the "Gas Revenue Refunding Bond Sinking Fund."

(b) A fund to be set aside to offset the depreciation in the system and to be used in making improvements, extensions and additions to the system, which fund shall be known as the "Gas System Depreciation Fund."

(c) A fund to be provided for the reasonable and proper cost of operating, maintaining and repairing the system, which fund shall be known as the "Gas System Operation and Maintenance Fund."

Section 7. There shall be first set aside from the income and revenues of the system such amount thereof as will be sufficient to pay the interest and principal of the bonds herein authorized and to provide a reserve therefor, which amount shall be deposited in the Gas Revenue Refunding Bond Sinking Fund, and it is hereby determined that the amounts necessary to be set aside into said fund shall be sufficient to aggregate the following sums for each of the years ending on the thirtieth day of November, as follows:

best price or prices obtainable. No bonds are ever to be called for payment or purchased and retired with money in the reserve fund at a time when any of the bonds authorized hereunder are in default to a cost which is acting as the paying agent for said bonds and shall be held by said bank in a separate fund as a trust account solely for the purpose of paying principal of and interest on the bonds herein authorized as in this section provided. Said trust fund shall be irrevocable and not withdrawable by anyone for any purpose other than the payment of principal of and interest on said bonds and for the purchase and redemption of bonds as hereinafter provided.

Section 8. That there shall next be set aside from the remaining income and revenues of the system, a sum equivalent to Two Thousand Two Hundred Seventy-Five Dollars (\$2,275) annually, which sum shall be deposited in the Gas System Depreciation Fund, and shall be expended in making good any depreciation charges and in making extensions, improvements or additions to said system. Subject to the sufficiency of the income and revenues of said system to make the required monthly payments into the sinking fund as heretofore provided, such amounts shall be paid into the depreciation fund in substantially equal monthly payments from the revenues and income of the system, and if the balance of the revenues and income in any month is not sufficient to make the required payments then the amount of any deficiency in the payments shall be added to the amount otherwise required to be paid into the depreciation fund in any succeeding month or months. The moneys in said fund shall be kept in the bank as city depository separate and apart from all other

History of Beginnings

Photography

LATE IN THE 18TH CENTURY THE FIRST PHOTOGRAPHS WERE TAKEN BY NICEPHORE DE NICEPHE, BY EXPOSING FOR HOURS METAL PLATES COVERED WITH ASPHALTUM. LOUIS DAGUERRE (1789-1851) PLACED A PLATE THAT HAD BEEN EXPOSED, BUT SHOWED NO IMAGE, IN A DARK CUPBOARD WHERE MERCURY WAS STORED. TO HIS SURPRISE HE LATER FOUND THAT A PICTURE HAD BEEN DEVELOPED. THIS ACCIDENT LED TO MODERN PHOTOGRAPHY.

Keep a photostat of your valuable papers in your own possession if you need to refer to them, but keep the originals in a Safe Deposit Box in our strong vaults. The cost is but a few cents per week.

BAY SAINT LOUIS MISS.

city funds, and shall be secured in the manner provided by the laws of Mississippi for the securing of public funds.

Section 9. That after the monthly payments hereinabove required have been made into the sinking fund and into the depreciation fund there shall next be paid from the revenues of said system into the fund above designated as the Gas System Operation and Maintenance Fund as much of the remaining revenues as are necessary to pay the reasonable and proper expenses of operating, maintaining and repairing said system.

On November 30th of each year any surplus which has accumulated in the gas system and maintenance funds in excess of the amount estimated to be necessary for one year's operating and maintenance costs shall be transferred to the reserve portion of the sinking fund and shall be used for the redemption or purchase of bonds in the manner provided in Section 7 above. If in any year the revenues which remain after the payment of the required amounts into the sinking fund and into the depreciation fund are insufficient to pay the reasonable and necessary expenses of operating and maintaining the system for such year, the city agrees that so far as it legally may it will pay from its general revenues such operating and maintenance costs, or the portion thereof for which there are no provisions in the revenues remaining from the operation of the system.

Section 10. That so long as any of the bonds herein authorized remain outstanding the City of Bay St. Louis will maintain, for the benefit of the holders of the bonds herein authorized, insurance of the kinds and in the amounts which are normally carried by private companies engaged in the operation of gas systems, and the cost of such insurance shall be considered a part of the cost of operating and maintaining the system.

Section 11. That the City of Bay St. Louis hereby covenants and agrees with the holder or holders of the bonds herein authorized to be issued, or any of them, that so long as any of the bonds remain outstanding it will keep proper books of record and account, separate from all other municipal records and accounts, showing entries of all transactions relating to said system, and that the holders of any of said bonds shall have the right at all reasonable times to inspect the system and all records, accounts and data of the city relating thereto, and that the City of Bay St. Louis will furnish to any holder of any of the bonds at the request of such holder, not more than thirty days after the close of each fiscal year, a true and correct copy of the books, records, period, complete audits and operating and income statements of the system in reasonable detail covering such fiscal period, certified by the city's auditor.

Section 12. That the City of Bay St. Louis further covenants and agrees with the holder or holders of said bonds, or any of them, that it will faithfully and punctually perform all duties with reference to the system required by the Constitution and Laws of the State of Mississippi, including the making and collecting of reasonable and sufficient rates for services rendered by the system and will segregate the income and revenues of the system and apply same to the respective funds created by this resolution. The City of Bay St. Louis hereby further irrevocably covenants, binds and obligates itself not to sell, lease, or in any manner dispose of the system, or any substantial part thereof, including any and all extensions and additions that may be made thereto, until all of the bonds herein authorized to be issued shall have been paid in full, both principal and interest, and irrevocably covenants and binds itself to maintain the system in good condition and continuously to operate same and to charge and collect such rates and charges for services rendered thereunder as the City of Bay St. Louis and its departments, and to all consumers of gas furnished thereby, so that the revenues derived therefrom will be sufficient at all times to provide for the Gas Revenue Refunding Bond Sinking Fund, the Gas System Depreciation Fund, and the Gas System Operation and Maintenance Fund as hereinabove provided.

Section 13. That for the further protection of the holder or holders of the bonds herein authorized and the security of said bonds, the City of Bay St. Louis agrees to renew at the expiration hereof the contract for the purchase of natural gas heretofore entered into between the city and the United Gas Pipe Line Company or in lieu thereof to contract for a supply of natural gas at rates

as favorable to the city as can be obtained, and so far as it legally may the city further agrees that at any time a supply of natural gas shall no longer be obtainable at amounts sufficient to supply the city and its consumers it will construct a plant for the manufacture of artificial gas and will distribute such gas through its distribution system and will impose and collect charges for the sale of such gas and allocate the revenues to be received from the sale of such gas in all respects as hereinafore provided for the allocation of the revenues to be received from gas distributed through the system.

Section 14. That the bonds herein authorized shall enjoy complete priority of lien on the revenues of the city and the revenues thereof despite the fact that any of said bonds may be delivered at an earlier date than any other of said bonds. The city expressly covenants and agrees that it will issue no bonds or obligations of any kind or nature other than the bonds authorized in this resolution, payable from or on the revenues of the system or the revenues thereof, unless such bonds are so authorized and issued that they shall be in all respects junior and subordinate to the bonds herein authorized.

Section 15. That the bonds herein authorized shall be prepared and executed as soon as may be after the adoption of this resolution and after completion of the voting process, and for which provision is herein made, shall be delivered in exchange for and upon simultaneous cancellation of the outstanding bonds authorized to be refunded thereby.

Section 16. That the provisions of this resolution shall constitute a contract between the City of Bay St. Louis and the holder or holders of the bonds herein authorized to be issued, and after the issuance of any of said bonds no change, variation or alteration of any kind or nature of this resolution shall be made until all of the bonds herein authorized have been paid in full as to both principal and interest. All rights and remedies authorized to be granted to or exercised by the holders of said bonds under the provisions of Chapter 317 of the General Laws of Mississippi, 1934, and Chapter 281, General Laws of Mississippi, 1940, including the right to bring appropriate suits and actions in law or in equity and the right to require the appointment of a receiver in the event of default, are hereby given to the holders in all respects as though said rights and remedies were herein set out in full.

Section 17. That proceedings shall be instituted under authority of Chapter 10 of the Mississippi Code of 1890 for the validation of the bonds herein authorized, and the City Clerk is directed to prepare and transmit to the State's bond attorney certified copies of all legal papers pertaining to the authorization and issuance of said bonds, and such other papers as may be required by the State's bond attorney.

Section 18. That if any section, paragraph or clause or provisions of this resolution shall be held to be invalid for any reason, the invalidity thereof shall not affect any of the remaining provisions of this resolution.

Section 19. That all resolutions and orders or parts thereof in conflict herewith are to the extent of such conflict hereby repealed.

Section 20. That because of the fact that the holder of the bonds herein authorized to be refunded has agreed to surrender such bonds in exchange for the bonds herein authorized only if such exchange is consummated prior to January 1st, 1942, it is hereby found and declared that an emergency exists making it immediately necessary to the preservation of the public health, peace and safety that this resolution shall become effective immediately upon its passage and it is so resolved.

The foregoing resolution having been first reduced to writing was read and considered section by section and then as a whole and upon motion of W. L. Bourgeois, Commissioner of Finance and duly seconded by G. Y. Blaise, Mayor, was finally passed and adopted section by section and then as a whole by the following vote, to-wit:

Those voting yes: G. Y. Blaise, Mayor; W. L. Bourgeois, Commissioner of Finance and H. Grady Perkins, Commissioner of Public Utilities. Those voting nay: None.

Approved and Adopted December 12th, 1941.

(Signed) G. Y. Blaise, Mayor.

(Signed) H. GRADY PERKINS, City Clerk.

City Echoes

—Mrs. C. B. Crisler spent several days this week visiting at the home of her daughter, Mrs. Alice Buckley.

—Mrs. James A. Evans is again at her home on North Beach after a visit of several weeks with her sister in Kingsport, Tennessee.

—Mrs. A. T. Manieri has returned from a visit with her son-in-law and daughter, Mr. and Mrs. Clark Astleford, at their home in Biloxi.

—Miss Robynola Schafertkott of New Orleans is visiting in the home of her grandparents, Mr. and Mrs. R. D. Robbins at Cedar Point.

—Mrs. J. O. Maufrey, III at a New Orleans hospital for two weeks is reported improved though not sufficiently to be brought home.

—Mrs. E. N. Spence is again at her home on the Waveland Beach after a visit of several weeks with Mr. Spence in Panama.

—Mrs. John N. Stewart is presently in New Orleans where she will remain for some time and is occupying an apartment on Lowerline street.

—Mrs. Marcelite Cook is at present visiting at the home of her parents Mr. and Mrs. M. Telhard, arriving recently from Charlotte, N. C.

—Mrs. William Cannon, Jr., of New Orleans, spent part of this week visiting at the home of her parents, Mr. and Mrs. John Ploue.

—Mr. and Mrs. Thomas Smith are presently in Mobile, Alabama, where Mr. Smith has accepted a position in one of the great defense units there.

—Mr. and Mrs. Coney Weston celebrated their fifth wedding anniversary this week with a small family gathering at their home on South Beach Boulevard.

—Dr. and Mrs. Alvah P. Smith received word this week that their son, Alvah, Jr., had signed up for submarine duty and was stationed in San Francisco.

—Mrs. John A. Green, Sr., who has been confined to her home for several months and had sufficiently recovered to walk about her yard fell Saturday and is again confined to her bed.

—Mrs. C. J. Chadwick entertained a few friends at her home on Kellar avenue on last Thursday when two tables of bridge were formed and an enjoyable afternoon whiled away.

—Marjorie Horlock, daughter of Mr. and Mrs. J. D. Horlock, was thrown from her horse Saturday. She suffered severe cuts on the head which necessitated several stitches being taken.

—Mrs. E. N. Spence entertained for Mrs. William A. Reiss of Sheboygan, Wisconsin, at Hotel Reed on Wednesday with a luncheon and after which the foursome enjoyed bridge for the afternoon.

—Mrs. Marshall Ballard has returned to her home here after having spent the last few weeks in New Orleans with her son-in-law and daughter, Mr. and Mrs. Wilbert Argus, bringing with her two small grandsons, children of the Argus' for a visit here.

—Mesdames Eugene Mogabgab, Alice Buckley and Charles G. Moore visited the Camellia Show sponsored by the Gulfport Garden Club last Saturday and Sunday in the Markham Hotel. Mrs. Mogabgab serving as one of the judges in the awarding of prizes.

—A large group of boys and girls of the high school age have weekly enjoyed the king parties and dances given at the Soldiers' Lounge in the Knights of Columbus Hall on Main street when Mrs. Margaret Backman and her assistants chaperoned the party and assisted in serving the young people.

—Invitations were received in Bay St. Louis last week by friends of Mrs. Joseph Chalona who has a home at Clermont Harbor and is so well known here to a large afternoon tea at which Mrs. Chalona entertained members of the Ursuline College Inter-American Cultural Group at her home on Newcomb Boulevard on last Saturday.

NEW IMPROVEMENTS COMMENCED ON STANISLAUS CAMPUS

Under the direction of Brother Peter, two new additions are to be added to the new standing garage. These two buildings are to be used as a tool shed and a boat house. The boathouse is to be erected directly in the rear of the present structure while the tool-shed is to be made along the side of it.

Both of these buildings are to be made of the same material of which the garage is constructed (concrete blocks).

With the aid of many helpful students, the president has already laid the foundation of the new structures which are expected to be completed within the next few months. The newly purchased concrete mixer has already proven itself to be worth almost twice its value, in two days the entire foundations of the two buildings were completed.

When these structures are completed, Brother Peter has plans for numerous other improvements about the campus and school buildings.

Next Meeting of N. C. C. W. To Be Held, February 11th.

The Bay St. Louis District of the National Council of Catholic Women will meet next Wednesday, February 11th at three o'clock at St. Joseph Academy for their monthly meeting and, all Catholic women of Bay St. Louis are urged to attend this meeting which is an important one and at which time the ladies will have the opportunity of meeting the new president, Mrs. E. M. Sternberg of Gulfport.

Hospital Notes

The Kings Daughters Hospital was quite a busy place the beginning of the week with the arrival of four babies in close succession and the staff giving the usual good service in rendering aid to humanity.

Born to Mr. and Mrs. Reginald Moran of Lakeshore, a daughter on last Sunday, February 1st.

Born to Mr. and Mrs. W. J. McDonald of Pass Christian, a son on last Sunday, February 1st.

Born to Mr. and Mrs. John Erskine of Lakeshore, a daughter on Wednesday, February 4.

Mrs. Alfred Cospelich is still a medical patient at the hospital as is also Miss Vickie Carver who is getting along nicely.

—Mr. A. D. Landry, who is enjoying a three months' vacation at his Bay St. Louis home, spent ten days in Houston, Texas, in the interest of the major oil company which he represents. Mr. and Mrs. Landry expect to return to Talara, Peru, early in March and will make the long trip by clipper plane from Miami, Florida.

—Mrs. William A. Reiss, Jr., of Sheboygan, Wisconsin, arrived this week for a visit at the home of her parents, Mr. and Mrs. E. C. Carrere on the Waveland Beach. Mrs. Reiss expects to spend several days in New Orleans and will then go to one of the winter resorts near Miami, Florida, where she will join Mr. Reiss for a winter vacation on the Florida peninsula.

New Manager For Local Office of Mississippi Power Company Takes Over

The Bay St. Louis office of the Mississippi Power Company has a new manager, Mr. A. H. Gregory, who arrived in Bay St. Louis on February 2nd and took the place left vacant by Mr. M. P. Ledbetter, former manager, who was transferred to the Division Engineering office in Gulfport.

Mr. Gregory comes to Bay St. Louis from Moss Point and is presently registered at Hotel Reed.

Mrs. Lacy A. Green Buried at Lakeshore

An aged citizen of Hancock county brought home for burial in family plot at Lakeshore was Mrs. Elizabeth Gutierrez, wife of Lacey A. Green, who died on Tuesday, February 3, at 8:15 p. m.

Funeral services were held from the Fahey Funeral Home on Union street on Thursday at three o'clock with religious services at St. John's Church in Lakeshore and interment in the Lakeshore Cemetery.

Surviving the deceased are Lacey Green, Jr., and Sanford Green, Mrs. Nona Gutierrez, her mother, and four sisters, Mrs. James Velich, Mrs. W. A. Waters, Mrs. Lee Morris, Mrs. Fred Williams and three brothers: Frank and Theodore Gutierrez and Marion McArthur.

Girl Scout Troop Meets at Scout House

The Girl Scout Troop met on last Thursday in the scout house on Second street for their regular meeting and made tentative plans for taking an active part in Junior Red Cross work and assisting wherever possible in the wartime program of defense.

The troop will save and gather paper for defense and will knit and sew at their headquarters.

Changes Meeting Date Of Local Bible Class

Mrs. Warwick Aiken will conduct her regular bible class on next Tuesday morning, February 10th, at the Parish House, instead of the regular Wednesday morning.

On Wednesday afternoon the members of the Episcopal Guild of Trinity Church of Pass Christian will sponsor a silver tea at the rectory in Pass Christian and anyone interested is cordially invited to attend.

Thanks for Assistance

Mrs. Margaret Backman, Director of the Recreational Project of Hancock County wishes to thank the city and county officials and the local Knights of Columbus, Pere Le Duc Council for their valuable assistance in equipping the Knights of Columbus Hall with gas heat and making it possible to entertain soldier and civilian groups in the large hall.

Looses Father

Mr. Claude Duke, summer resident who owns one of the finer homes on St. Charles street, lost his father, Mr. A. K. Duke, who died at his home on Carrollton avenue in New Orleans, Wednesday, and who was a native of Scooby, Mississippi and veteran employee of the Illinois Central System.

SECOND BABY BORN

Mr. and Mrs. Ogden Kergosien are receiving congratulations these days on the arrival of their second baby, a daughter, born last Saturday at the local Kings Daughters Hospital.

Fred Astaire has added his name to the growing list of Hollywood ranchers. He recently joined Bing Crosby, Joel McCrea, Clark Gable, Ginger Rogers, Fred MacMurray, Andy B. DeMille, Richard Arlen, Andy Devine, William Boyd, Albert Dekker, Doug Fairbanks, Jr., Ann Sheridan and Eugene Pallette, who do their relaxing on ranches near the cinema capital.

\$100,000,000 fund urged for synthetic rubber production.

STANISLAUS BAND RECEIVES ITS MUCH AWAITED UNIFORMS

Used For First Time in the March of Dimes Parade Held Last Week.

To the great pleasure of the band and the admiration of the student body, the long-awaited band uniforms have arrived. They are very striking in appearance with their bright red color and trimmings of gold. Another complimentary feature about them is the broad "Sam Browne" belt that goes with each uniform and which makes it unique among other uniforms. They are cut on the military style and have a tassel on the left shoulder making them all the more distinguished.

Due to their tardy arrival, they could not be used for any social function until just recently. In order to let everyone know that they were here, Brother Romuald sent one of the band-members around to the class rooms demonstrating the features and characterizations of one of them. However, when the demonstration was made, the belts had not as yet arrived. Everyone found the uniforms to be very smart and attractive.

The band's first public appearance using these smart new costumes was Wednesday afternoon, January 28, when they marched in a procession through the town for the benefit of "The March of Dimes." This drive is being presented throughout the nation for aid to the institutions treating infantile paralysis. The drive was originated some years ago by President Roosevelt who at one time was a victim of the sickness.

The student body was very proud to see its band in its striking new colors as it passed the school on the day of the parade. There is no doubt that Brother Romuald too is proud of them and is very grateful to all those who contributed to the fund which made the purchasing of the costumes possible.

LIBRARY NOTES

We thank Mrs. W. O. Sylvester for gift of books for Victory Book Campaign. Mrs. Sylvester is the first to donate books for this. Who will be the second?

Monday's mail brought the library a great surprise in the form of a complimentary copy of "Eyes-Light" by Bobbee—Now Bobbee is no other than our Lida Boyd Blount whom we all know and love. She is now Mrs. Fred Lee Preu of New York and Washington. The book is illustrated by the author and is the life of a clown. It is autographed but is non-circulating. Who will present the library with a copy for circulation for all of her many friends here will want to read it? You would want to read it anyhow but more so because Bobbee wrote it. Come in and see our copy with hats off to Mrs. Preu for the good job she has done. You will remember Mrs. Preu as "Babe" Blount who taught the children of our town and who is a niece of Dr. and Mrs. C. M. Shipp.

The library has just received the following new books: Louis Bromfield's "Wild is the River," Nordhoff and Hall's "Botany Bay," Mary O'Hara's, "My Friend Flicka," Nevil Schute's "Pied Piper," and George Stewart's "Storm." We will reserve any one of these for you. If you haven't time to come up call us and we shall be glad to do this. But hurry! We are enrolling new members each day so get in on the ground floor.

COLLECTING FOR DEFENSE

Government agencies have requested that the whole nation use tubes used to contain tooth-paste, shaving cream, etc., in order to conserve what tin there is on hand. We are taking it upon ourselves to do our bit for defense by collecting these tubes. We will call every fifteen days to collect whatever tubes or tin foil you may have saved. Help us to help those who are fighting to keep for us our freedom and the American way of life.

"Remember Pearl Harbor" Sophomore Class A, St. Stanislaus College, Nellus Favre.

ENJOYS BIRTHDAY PARTY

Mr. and Mrs. Nellus Rhodes celebrated the third birthday of their son Nellus "Speedy" Rhodes, Jr., with a party at the home of his grandparents, Mr. and Mrs. Gaspar Maurigi, Sr. The party was carried out in blue and white with a large pyramid cake in blue and white, ice cream, cake, punch and candy was served for refreshment, and games were enjoyed by all. Miss Gail Garner won the prize in the "Donkey Game," which was a panda bank filled with chocolate nickels, and Miss Nolene Ladner won the prize for "Drop the Pin" game which was a baseball bank, filled with fruit drops. The game "The Battle of Balloons" was enjoyed by all, where balloons fell from the ceiling. At the close of the party the children were presented with miniature battle ships of blue and white filled with candies, lollipops and balloons.

The children who attended the party were: "Speedy" and his sister, Gay, Maurigi Rhodes, Nolene Ladner, and "Mickey" Ladner, Shiela Ann Heitzmann, Ray Ann and Geraldine Witter, Manuel, Ronald and Caroline Maurigi, Gail and Janet Garner, Billy Rhodes, Donald and Brenda Alice Maurigi and Marcel Anderson.

The mothers who attended were: Mesdames Nolan, Ladner, Willys Rhodes, Roger Heitzmann, Edmond Blaize, Gaspar Maurigi, Jr., Manuel Maurigi.

BIRTHDAY PARTY

Mrs. A. D. Landry entertained a few of her son, Eddie's playmates at her home on Carroll avenue on the occasion of Eddie's eleventh birthday on Wednesday afternoon when the children enjoyed party refreshments and a number of interesting games.

A large cake in the shape of an aeroplane graced the center of the pretty table and a color scheme of pink and green was carried out in decorations and refreshments. Small aeroplanes were given as favors to the boys attending and pottery pitchers were the favors for the girls.

MILLER-VOGELGESANG

A recent marriage in Bay St. Louis at the Methodist Parsonage with Rev. A. M. Ellison officiating was that of Miss Mildred Vogelgesang and Corporal Thomas Clark Miller, both of Canton, Ohio.

Friends present were Corporal and Mrs. V. Vegg of Canton, Ohio, Miss June McConnell of Waveland and J. P. Drake of Bay St. Louis. Corporal Miller is stationed at Camp Shelby.

ANNOUNCE FORTHCOMING MARRIAGE

Mr. and Mrs. P. J. Boudin wish to announce the coming marriage of their daughter, Ethel Mae Boudin, to Staff Sergeant Thomas A. Quintini, which will take place in St. Louis, Sunday, February 22, 1942. Sergeant Quintini is the son of Mrs. Alma Quintini and the late Thomas A. Quintini.

Thanks

The local Chapter of the Infantile Paralysis Foundation wishes to thank everyone who in any way assisted in making the drive for funds the marvelous success it was, the merchants and city and county officials and postmaster who stationed tables before their places and the many organizations and individuals who gave of their time to keep the wishing-wells and the donors to this most worthy cause.
